Kendra Cloyd –Secretary

A total of 22 people were in attendance including the board members. The minutes from the previous meeting were read and accepted.

The new lake passes were given out to each resident at the meeting. For those who were not present, the passes will be delivered with the exception of past due accounts.

Recently, the Common Area has been through a lot of changes. It was expressed by many that Jeff & Kenny have done a great job in the process of clearing the land. Steve talked about the fish in the lake & with the level rising this past year. New street lights have been established in the neighborhood for safety and deterrence of unwanted visitors

We also discussed that Peggy Roberts, the Landscaping Committee Chair, has requested to have more trees at the front entrance. It was suggested that the neighborhood have a giant garage sale & maybe a portion of the sales can go toward purchase of the trees.

A discussion to fine the repeated offenders who violate the any of the restrictions, but with that would require the vote of all residence to amend the CC8Rs.

With no other business to discuss the meeting was adjourned at 2:00 PM. The next meeting date is to be determined
