Minutes from last meeting & approved

Main topic of discussion was the Landscaping Committee's bids for a wall at front entrance.

Kenny read Landscaping bids & letter about proposed Entrance Wall. \$4k was approved for this project but the bids came in much higher. Compared differences in what bids covered and to build it properly with footers and the desired rock ran \$10,000 & \$11,392 and we only budgeted \$4,000 for this wall. Another option would be to use the \$4,000 to redo the existing entrance sign/wall.
